hi-Sun incredibly incorporates four products in one:  
a backpack, a beach towel, an inflatable pillow and speakers!  
hi-Sun is perfect in all situations from the beach to the swimming pool, camping or sailing! It always guarantees maximum comfort and allows you to bring along everything you need.

With hi-Sun you may lay down and listen to your iPhone, iPod or any other mp3 player with a 3.5mm universal jack. The speakers are amplified and thanks to the long lasting lithium battery (rechargeable through an integrated USB port) you may listen to your favourite music for hours!

hi-Sun is a multipurpose product, in fact, to put it away,  
it simply transforms itself into a very comfortable backpack.

Compatible with: iPhone family, iPod family and every music source through universal jack 3,5 mm.
